

**WARRICK COUNTY AREA BOARD OF ZONING APPEALS
SPECIAL USE – INSTRUCTIONS**

It is suggested that you bring your completed forms into the Area Plan Commission office to be checked before you file your petition to insure that all required information is included before copies are made.

1. One (1) original and eight (8) copies of petition must be submitted. (Example A)
2. Attached to and as part of the petition, submit the following:
 - a. Draw a site plan on 8 ½ x 11 or 8 ½ x 14 paper, showing all existing and/or proposed conditions on the property which is the subject of your petition. If the size of your project requires the original (larger) site plan to be "shrunk" to the smaller size to fit in the packets, then you will need to include with your application one copy of the original scaled drawing in addition to the 8 ½ x 11 or 8 ½ x 14 copies which is part of the Special Use application. See attached sample site plan (Example B) and instruction sheet to be sure that all the items listed are included on your site plan.
 - b. A map of the surrounding area will be supplied to you by the APC staff. You must add the items that are listed in Example C.
 - c. Current Deed of the subject property.
 - d. Copy of the official Warrick County Plat Book page which can be obtained from the Auditor's Office in the Judicial Center.
3. Maps: 8 copies of floor plan, vertical section, and front elevation of buildings with all necessary dimensions. (These maps required only when applicable to application.)
4. Names and addresses of abutting property owners and, in the case of SU-13 Applications, the names and addresses of all surface owners, must be obtained by looking up the official owner of record at the **Auditor's office** (The Auditor's Office has the most current property owner information. **DO NOT LOOK UP OVER THE INTERNET**). For clarification, (a) abutting property is defined as *Record title owners whose property is contiguous to the subject property, including any property that would touch at any point the subject property, ignoring all rights of way, including all rights of way owned in fee, easements and alleys, including property owned by a governmental body for the primary purpose of a road way, and (b) surface owners are defined as those owners who own the surface of the subject property. However, record title owners of property separated from the subject property by a freeway or expressway are not considered "abutting property owners."* By ordinance, these notices **MUST** be postmarked no less than twenty-one (21) days before the Board of Zoning Appeals meeting at which the application will be heard. Please bring any irregularities or problems to the attention of APC staff prior to mailing said notice(s).

NOTE: All SU-13 Applications must also include a certified list of the names and addresses of the owners of record of the surface of the subject property, unless all of the owners of record of the surface of the subject property have signed the SU-13 Application. For clarification, where there are two (2) or more owners of record of the surface of the subject property, the surface owners are not required to sign the SU-13 Application nor are the surface owners required to

attend the hearing, provided that the surface owners are given notice pursuant to Paragraph 6, below. The names and addresses of surface property owners must be obtained by looking up the official owner of record at the **Auditor's office**. The certified list shall include the following statement, signed by the applicant:

“I hereby certify under penalties of perjury that the foregoing constitute all of the owners of record of the surface of the subject property according to the records maintained by the Auditor of Warrick County, Indiana. The names and addresses of such owners were obtained by looking up the official surface owner of record as listed in the Office of the Warrick County Auditor.

Signature of Applicant”

5. Bring to the Area Plan Commission office:
 - a. The completed applications, each with an attached site plan as detailed in step 2 (a through d) as listed above.
 - b. \$200.00 filing fee.
 - c. A list of all abutting property owners including official mailing addresses.
 - d. A certified list of surface owners including official mailing addresses (for SU-13 Applications, if required as set forth above).

At this time you will be placed on the agenda for the next Board of Zoning Appeals (BZA) meeting and assigned a docket number. The BZA holds its regular meeting on the fourth Monday of each month, (unless changed due to a Holiday) at 6:00pm in Room 301. Your petition must be filed by the deadline for that month; see attached meeting and filing schedule.

6. AFTER FILING, but at least twenty-one (21) days before the BZA meeting, a notice must be mailed by the petitioner by CERTIFIED MAIL, RETURN RECEIPT REQUESTED (see attached sample letter/instruction) to each of the owners whose property is abutting the owner's property included in whole or in part in the petition for the Special Use. (Refer to step 4 above for information regarding abutting property owners) and to the surface owners of the subject property, if required, in connection with a SU-13 Application. Applicant will be required to post subject property of proposed Special Use. The Area Plan Commission office will furnish sign.

7. Submit a notarized affidavit (use the attached form), along with one copy of the notice which you mailed, and the green return receipts (and explanation for any un-returned receipts) to the Area Plan Commission office by noon the Thursday before the Board of Zoning Appeals meeting. It is suggested that you have your copy of the certified letter receipt filled out completely and stamped by the Post Office at the time you mail the notice. In the event that the green copy is not returned to you prior to the meeting, bring your receipt and/or the returned letter itself to the Plan Commission office as proof that the letter was sent by you. **THIS IS IMPORTANT.** If the above requirements are not met, the Special Use petition will be postponed until the next regularly scheduled meeting, and pay an additional continuance and/or amendment fee of \$100.00.

8. You, an attorney or someone representing you with a recorded power of attorney, will be required to attend the Board of Zoning Appeals meeting at which your petition will be

heard. In the case of a SU-13 petition in which there are two (2) or more surface owners, only you, an attorney or someone representing you with a recorded power of attorney will be required to attend the Board of zoning Appeals meeting at which your petition will be heard. After approval, you may go to the Area Plan Commission Office for your approval and permit (if required). If the application is denied or withdrawn by the Board of Zoning Appeals, there is a one (1) year waiting period before re-application.

OBJECTIVES

Certain uses are necessary to the life and economic health of the community, but have characteristics of operation that do not readily permit classification in the usual residential, commercial, or industrial districts. Because of the various types of uses and locations requiring this special consideration, the specific conditions under which each use may be permitted must be considered.

FACTORS CONSIDERED IN RELATION TO APPLICATION

1. Whether the specific site is appropriate location for the uses;
2. Whether the use as developed will adversely affect the surrounding area;
3. Whether there will be nuisance or serious hazard to vehicles, pedestrians, or residents;
4. Whether adequate and appropriate facilities will be provided for proper operation.
5. Whether the use is in harmony with the Warrick County Comprehensive Plan and;
6. Whether the use is essential or desirable to the public convenience and welfare.

The Warrick County Area Board of Zoning Appeals meets the fourth Monday of each month at 6:00 pm in the Warrick County Court House, Commissioners Meeting Room, Third Floor, Boonville, IN.

Application must be filed at least four weeks prior to a meeting. A filing fee of \$200.00 (\$50 for SU-22) is payable to the Warrick County Area Plan Commission at the time the application is filed.

No fee is to be refunded.
